Thanks Cindy. This covers all of the items we brought up in the meeting.

I saw that Dom had some other requests. Perhaps those fit here or they might be covered in a separate request. I think we would like to get 1-4 below answered as soon as possible.

**Subject:** Info for TD

Rick and Dom,

See if this is all the information you want included in the TD for Shaw to provide the cement and sand basket info.

CJP

Request for information from monitoring well installation at Pavillion, Wyoming.

- 1: Provide manufacturer and supplier name and contact information for the sand basket used in the wells.
- 2: Determine if there is any left over Portland cement that was used at during the well installations, both for surface casing and to fill the over-drill.
- 3: Provide manufacturer and supplier name and contact information for the cement used during well installations, both for surface casing and to fill the over-drill. Provide batch/lot number if available.
- 4: Provide manufacturer and supplier name and contact information for the black steel casing used in the wells.
